### CONDITIONS

1. This certificate is limited to that specified in the scope of work section of the approved continuing airworthiness management exposition as referred to in Section A, Subpart G of Annex I (Part M) of Regulation (EU) No 1321/2014.
2. This certificate requires compliance with the procedures specified in the continuing airworthiness management exposition approved in accordance with Subpart G of Annex I (Part M) to Regulation (EU) No 1321/2014.
3. This certificate is valid whilst the approved continuing airworthiness management organisation remains in compliance with Annex I (Part M), and if applicable, Annex Vb (Part-ML) to Regulation (EU) No 1321/2014.
4. Where the continuing airworthiness management organisation contracts under its Quality System the service of an organisation or several organisation(s), this certificate remains valid subject to such organisation(s) fulfilling applicable contractual obligations.
